Item: Workstead Bent Chandelier

Price: \$1,800

Description: This chandelier juxtaposes the confidence of the chandelier as a vertical form with the grace of 3 bent arms. Made from new bent steel arms, a solid vertical stem, cast iron articulated joints, and brass. The arms can be articulated in multiple axes; the joints allow for 360 degrees of rotation, making this fixture ultimately flexible.

Dimensions: Vertical Arm - 36", Horizontal Arms - 30", Adjustable Depth from Ceiling - 48 - 62"

Details: Workstead is a New-York based collaborative between Stefanie Brechbuehler and Robert Highsmith that offers architectural services, graphic design, furniture, and lighting.
