BRASS CHANDELIER

WORKSTEAD

BRASS CHANDELIER

Description

The Brass Chandelier fuses the concept of the chandelier with a keen understanding of function and flexibility.

The same standard pieces can be reconfigured in countless ways; as a horizontal fixture that hangs only 30" from the ceiling, or as a tall vertical gesture that hangs a dramatic 60" below ceiling.

Materials

Hewn and cast brass, with a nude cloth pulley cord.
