HIEROGLYPH PENDANT

Description

The HIEROGLYPH PENDANT is composed of nested wood cylinders - the foundational elements of our popular and versatile LODGE collection. The 9-bulb fixture makes a striking luminous statement, referencing essential abstract forms of the De Stijl movement, as well as the figurative language from which it takes its name. Available with a cloth-covered cord or fixed metal rod in three standard overall heights. Custom heights available. Made in the USA. UL Listed. Damp Rated upon request.
