COMPATIBLE DIMMERS

Tala has tested the most widely used dimmers on the market to guarantee the best possible performance with their bulbs. The dimmers below have proven themselves time and again for their quality, compatibility, and uniformity. For best results, use only one type of Tala bulb per dimmer and do not mix different bulb brands.

Recommended

United States

Lutron Diva DVELV-300P
Lutron SELV-300P
Lutron RRD-6NA
