Description

The BRICK III is a modern interpretation of the classic vanity sconce, celebrating the dialogue between the handmade and the serial. A cast earthenware base hand-glazed in soft white frames a trio of matte opal globes, suggesting a hollowed brick cradling neotenic forms. The ADA compliant sconce can be mounted vertically or horizontally for a flattering, luminous glow. Made in the USA. UL Listed. Damp Rated upon request.

Body Finish

Glazed White

Hardware Finish

White Enamel
